

clcv green leadership circle identity

use as a stand-alone graphic:

In this version, the type is legible inside a standard-sized border. The large version is for use within body copy on pre-printed CLCV letterhead, or on the web in larger sizes.

use next to CLCV logo on custom printed materials:

The Green Leadership Circle mark was designed for maximum legibility at standard logo-height sizes; can also be used on letterhead if smaller version is needed.

use next to CLCV logo on custom printed materials at smaller sizes:

Type remains legible at the smallest allowable size for the standard CLCV logo (see CLCV Logo Guidelines for details).
